APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions:

This Permit is issued subject to all prior rights. It is
of water

understood that the .5 cubic foot per second herein granted is only a
temporary allowance and that the final water right obtained under this
permit will be dependent upon the amount of water actually placed to a
beneficial use. A suitable measuring device must be installed and accurate
measurements of the water placed to a beneficial use must be included in
the proof of such use when filed. The State reserves the right to regulate
the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed .5
cubic feet per second.

Actual construction work shall begin on or before April 3, 1929

Proof of commencement of work shall be filed before May 3, 1929

Work must be prosecuted with reasonable diligence and be completed on or
before April 3, 1930

Proof of completion of work shall be filed before May 3, 1930

Application of water to beneficial use shall be made on or before
September 1, 1932. Proof of the application of water to beneficial
use must be filed with State Engineer on or before October 1, 1932

WITNESS MY HAND AND SEAL this 4th day

Canceled Sept. 19, 1931, because of failure of
applicant to comply with provisions of permit

of October, 1928.

George Malone
State Engineer.
